work. I have not had time
to write you more often.
I am sure you are well.

1. The first thing I noticed
when I stepped out of the plane
was the cold air. It was a
sharp contrast to the warm
climate of the tropics.

2. The second thing I noticed
was the silence. It was a
complete silence, a silence
that I had never experienced
before. The only sounds I
heard were the soft rustle of
the leaves and the gentle
hum of the wind.

3. The third thing I noticed
was the beauty of the landscape.
The mountains were majestic
and the valleys were lush and
green. The water was crystal
clear and the air was fresh.

4. The fourth thing I noticed
was the hospitality of the
people. They were friendly
and welcoming, and they
made me feel like I was
at home.
